" The place is small and cozy, has a double bedroom with big bed, kitchen, living room with sofa with two single beds, bathroom, but especially has a large balcony where you will find the sea and where it is very nice to make meals. The place is calm because the street is a dead end and usually only for residents there. "

Surroundings & location

" In addition to the beach, in the building, there is a pool from which you can enjoy and that are opened with the official opening of the bathing season. If you enjoy walking, Monte Gordo is excellent because the terrain is flat, has wide tours and various locations where it is very pleasant to do so. But the most wonderful is even when the tide is low and if you can walk on the beach by the sea in hard sand and path without slopes. "
